These lines have been added to each season. This season we have taken on more new departments and added more to the efficiency of our store than has been added in the last five years combined. Our new basement has helped us to these new improvements. The following is in explanation of what we are doing.

These entirely new lines of Ribbons make our Ribbon Department one of the largest in Vermont. Look at the line and see what you think of our statement that prices sell these Ribbons.

We have just received a new idea in an Imported Belt, made of leather, with a combination of silk, and has an elastic back. The price is but 50c.

### NEW LINES

In our basement you will find a choice line of Ladies' and Gents' Leather Bags. All have leather linings and at dry goods prices.

In our basement is a representative line of Ladies' and Gents' Trunks of the better grades for select trade.

By the middle of next week our full line of REGAL SHOES will be in stock. We have a good lot of them here now.
